DRIVING DIRECTIONS : Please arrive SSC Pacific, Topside, Bldg 33. The maps on next page will be helpful in locating our facility (please reference first map for the overall area. Topside can be located on the left-hand side, about midway). As you get closer to SSC Pacific, you will be traveling South on Catalina Blvd. Turn left at Electron Drive (reference 2nd map) right into the Badge and Decal Office, Bldg 27 parking lot. You will need to go into building 27 and retrieve your badge. Drive out of the parking lot and make a right, you will need to show the guard at the gate your badge and he will allow you entrance. Proceed straight on Electron Drive, the road eventually curves to the right and becomes Silvergate Avenue. Building A33 will be located on your right.
